

Invitation

To relevant enterprises, associations, research institutes, universities and vocational colleges:

The 2021 CHINA CUTTING TOOLS & EQUIPMENTS EXHIBITION, hosted by China National Machine Tool Corp, Chengdu Tool Research Institute co.,LTD and China Metal Cutting Tool Engineering Association (CMCTEA) will be grandly held in Suzhou International Expo Centre from September 16th to 18th, 2021.

The scale of the exhibition is expected to be more than 30,000 square meters, with a total of more than 400 exhibitors, and all major domestic and foreign tool and equipment manufacturers will attend the exhibition. Meanwhile chief engineers, chief technologists, purchasing managers, technical transformation technicians and scientific researchers from the fields of aviation, aerospace, ordnance, automobile, railway track, 3C electronics, steam turbine, engineering machinery and universities will be organized to attend. In addition, a number of high-end forum, seminars and technical exchange activities will be held in different forms during the same period of the exhibition.

In the golden September, domestic and foreign experts and representatives will be invited to interact with each other, discuss industry development trends, and share their experience and achievements. We warmly welcome domestic and foreign cutting tool and equipment companies and relevant industry professionals come to visit and communicate!
